Happy New Year!

**Mark your calendars - Dive Club Meeting Jan 14.
Logan's Roadhouse on 3060 W. Sandlake Rd at 6:00PM**

Presidents Message

Happy New Decade! I hope everyone had a wonderful holiday and got to spend some much needed time resting and relaxing, I know I did. This is destined to be a wonderful year of group diving, as I'm looking forward to it. In the years past the club didn't do the proper planning for dive scheduling, so this year we are going to fix that. The January meeting is all about you! What you want to do, where you want to go, and when. If you plan on diving in 2020 with the group or would like to schedule something with the group, please make a point of attending this meeting to present your ideas and schedules. We will be gathering all ideas, dates, costs, etc, and deciding as a group were we would like to go see and do.

Entertainment

DIVE - DIVE - DIVE!!!!!! WE NEED YOU!

At our January meeting we will be planning our dive and activity schedule for the upcoming year. Is there someplace you would like to dive? Consider making it a club dive and you can be joined by some of the greatest people around.
