

Lockheed Martin Dive Club

February 2020

**Mark your calendars - Dive Club Meeting Feb. 11.
Logan's Roadhouse on 3060 W. Sandlake Rd at 6:00PM**

Presidents Message

I hope everyone's first month of the new decade has been wonderful. Last month we started a list of calendar events that we would like the club to represent for the rest of the year which includes trips to the Bahamas, Spring Diving, Jupiter, West Palm Beach, the Keys, Disney Quest, and more. I look forward to those events and really need the group to firm up those dates ASAP. In the next two months I would like to remind everyone that we have the March 5th, Disney DiveQuest at Epcot set up, so please don't forget to pay for that with Marie Frank, and then in April we are planning Paradise Springs April 18th with Keri Pitts. Additionally we have a few members going to the Bahama's on February 8th for the Hammerhead Shark dives, so hopefully they will be sharing their experiences at the next dive club meeting (February 11th.) NOTE. I will be bringing my computer for everyone to share their last dive photos and experience. Please bring your flash drive!

Entertainment

Club members Chuck Brown and Terry Keeney traveled to the Sea of Cortez (Gulf of California) to participate in an underwater photography workshop conducted from a liveboard dive vessel. The location promises whale sharks, sea lions, and amazing

macro life. The trip delivered on all accounts. Travel to Puerto Peñasco Mexico was via Phoenix Arizona. While in Arizona, Chuck and Terry spent a couple days in Sedona to view scenery and National Monuments featuring native American cultures.

Join us at the February 11th meeting where Chuck and Terry will share underwater photography tips, and results from their Sea of Cortez adventure. Whale sharks, sea lions, gobies, and cliff dwellings will all be shown.

Activity Schedule

Thanks to all who participated in last month's meeting and helped to develop the 2020 activity/dive schedule. The club has a preliminary activity/dive schedule and details are being finalized. Stay tuned.....
