Presidents Message

Happy March! The diving season is finally back and we are ready to get wet. Logan's Roadhouse on Sand Lake Road is permanently closed, so we are actively seeking a new place for this Tuesday's meeting. Please stay tuned so you don't go to the wrong location. If you have a new place in mind, please let Chuck or Myself know ASAP so we can get the information out to the rest of the club. If you signed up for the Epcot Diving please make sure Marie gets the rest of the money on Thursday at EPCOT before the dive takes place. The Bahama's trips were postponed and a few members re-booked a new time, hopefully that has been successful and they can give us a rundown on that whole experience from catching the ferry to diving with hammerheads. We are still hopeful on planning a spring dive for April 18th, and Keri should be able to provide those details if you are interested.
