

About the CLUB

The **LOCKHEED MARTIN DIVE CLUB**, a Lockheed Martin sponsored organization, was formed in June of 1985. Membership is open to both employees and non-employees. Currently we have over 80 members and add to that continuously. Annual dues are \$20 per year based on an April 1 sign-up with other months prorated accordingly. An additional \$5 fee applies to anyone receiving mail outside the Lockheed Martin mail system to cover the cost of postage. **CLUB** benefits include:

- Frequent trips to the Keys, local springs, West Palm Beach, and various Caribbean locations
- Informative speakers and door prizes at monthly **CLUB** meetings
- Newsletters and mailings
- Equipment available for loan to members: three camera systems, dive lights, and flags
- Tank exchange: tanks are borrowed between members
- *Undercurrent* magazine and dive location guide books
- Gear swap at meetings and classified ads in the **CLUB** newsletter
- Discounts at local dive shops
- Activities and newsletters at our web site: <http://www.martindiveclub.org>.
